LETTER

Sir/Madam:

On April 28, 2006, a Submission of an Information Disclosure Statement was filed in connection with the above-identified patent Application. Please refer to the attached mailing receipt stamped by the Patent and Trademark Office on April 28, 2006.

Although a first Office Action had been received prior to the filing of this Submission of an Information Disclosure Statement, Applicant inadvertently failed to pay the fees associated with the filing of said document. Therefore, Applicant respectfully requests that the references included in the Information Disclosure Statement filed on April 28, 2006 be considered by the Examiner during the examination of the above-identified application, making the references of record.

Moreover, the Examiner is hereby authorized to charge the amount of \$180.00 and any additional fees that may be required, to account 19-5113 in order to have this situation sorted out.

Confirmation that the aforementioned request has been made of record would be appreciated in due course.
